Report of Principal and School Improvement Council

Morningside Middle School (MMS) completed its 5th year of single-gender education. This past year we were recognized as a Palmetto Gold Award recipient for overall scholar achievement. We also received a Silver Award for closing the achievement gap. The male academy, "ARMS," stands for Advancement and Refinement of Men for Society, while the female academy, "EXCEL," means Excellence in Creativity and Educational Leadership. The research on single-gender education is very positive and we have seen great results. In addition to single gender, we have created a very "data-rich" school where both staff and scholars are aware of the data and what changes need to be made to move it in a positive direction. Exploratory teachers teach both males and females at different times during the school day. Scholars continue to have opportunities to participate in co-ed activities such as tutoring, academic competitions, and incentive socials.

MMS continues to make systemic progress. Our accomplishments include both academic and behavioral due to the programs we have put in place such as: literacy and math support classes, student intervention committee (CORE team), and the Positive Behavior Intervention Support (PBIS). We also encourage completion of high school with strong college awareness. Scholars are exposed to both in-state and out-of-state college campuses through numerous field trips during the school year. Scholars enrolled at MMS have the opportunity to earn up to four high school Carnegie units while they are here, which increases their chances of high school and college completion. We have maintained a strong School Improvement Council (SIC) and parent and community involvement has steadily increased.

This year's major school focus continues to be literacy. In order to support our efforts to raise the reading level of every scholar, we implemented reading courses four days per week. In the fall, all of our scholars were administered the AIMS Web Oral Reading Fluency assessment to determine individual needs. Four major levels of intervention were required in order to address the needs of all of our scholars. Scholars were then assigned appropriate reading interventions in order to help increase their fluency and comprehension. Scholars who need additional assistance in math are also able to take a math support class in addition to their grade level math class. The Academy, after school tutoring and support program, is available to all scholars free of charge and transportation is provided. An extended learning opportunity is also provided through our Saturday Academy Program which is free of charge and includes transportation.

While we continue to strive for academic success, MMS also works to develop the whole child. Each scholar is exposed to character traits and decision making through the Junior Achievement Program. We focus on health and wellness daily, stressing the importance of healthy lifestyles for healthy minds. We promote leadership and offer a well-rounded athletic program that encourages healthy competition. At MMS, Excellence is our Standard!

Dr. Joseph Williams, Principal

Ms. Lashawna Watkins, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	41.4
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Morningside Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
